166 Lisgar Street is a Vanessa Fong Design, custom-built, Victorian with over 3,300 sqft of skillfully designed living space. Lisgar will surprise you at every turn with something you've never seen before. Starting with the arched Pella windows, this immediately sets Lisgar apart from any other urban home in existence. Once you enter the home you're immediately drawn to the custom herringbone flooring, recessed baseboards and masterfully finished carpentry all around you. Heading further back into the home, through the bespoke archway, you're greeted with another moment that only Lisgar can provide.
