Experience the vibrant lifestyle of King West at the Kings Lofts, a building that exudes character and charm, setting it apart from the standard cookie-cutter condos. If you are looking for a living space that offers both uniqueness and convenience, this spacious two-level loft with 701 square feet might be exactly what you need. Situated at the intersection of King and Niagara, this loft boasts soaring 17-foot ceilings, creating an open, airy ambiance that welcomes you the moment you step inside.

The main living area features a bright, south-facing layout, flooding the space with natural light. The sense of openness and flow is further enhanced by the loft's design, which includes a large, private balcony—a perfect spot to relax with your morning coffee, enjoy an evening breeze, or take in the city views. This unique living space offers a modern yet industrial aesthetic that loft lovers will appreciate.
