FIRST TIME EVER OFFERED. A RARE OPPORTUNITY IN JOSHUA CREEK. Featuring a private resort-style backyard with a saltwater pool and hot tub, a mature landscaped lot, a renovated luxury kitchen and bathrooms, exceptional main-floor versatility, and a finished lower level, this home offers a rare blend of lifestyle and function. A private backyard oasis defines the lifestyle, featuring a fully automated saltwater pool and a new hot tub designed for entertaining and everyday relaxation. The mature, landscaped lot offers exceptional privacy, creating a peaceful retreat for summer gatherings and quiet mornings. Inside, the home is anchored by a renovated luxury kitchen, thoughtfully appointed with built-in JennAir appliances including a coffee maker, wine fridge, and panelled refrigerator. Updated washrooms, including the primary ensuite, complement the space with timeless finishes. A double-height family room adds volume and natural light, creating an inviting central gathering area.
