This stately colonial style home will charm you with its gorgeous curb appeal and impressive lot size. Entirely renovated with the best of modern comfort and efficiency: beautiful updated hardwood flooring, coffered ceilings and mouldings, casement windows and original charm retained throughout. The main floor features a classic centre hall staircase, large living room with beautiful gas fireplace, a family room with heated floors looking into a stunning covered screened-in porch, a main floor laundry room/powder room, a beautiful chef's kitchen with breakfast bar, plus a large dining area perfect for hosting! Upstairs, the primary retreat comes complete with a spacious sitting room, double doors to a private balcony deck and a stunning 3 pc ensuite with steam shower. Two more large bedrooms, an enormous main bath and a separate office completes the second floor. Additional family space in the basement with a finished rec room. The incredible backyard features the screened-in porch (with pot
