Welcome to 63 Metcalfe Street

This magnificent Bay & Gable Victorian in the historic neighbourhood of Cabbagetown, presents a golden opportunity to own a living work of art. A residence that evokes a kind of scale, drama, and attention to detail rarely found today. The extraordinary home operates as a set perfectly suited for lavish events and simultaneously as a respite from the city in its serene, elegant private quarters. With original character as the inspiration and guide, masterful craftsmanship with the very top quality methods and materials have been selected, such as the Pella windows. Every corner has been considered over three thoughtfully finished levels exuding sophistication.

The captivating details begin in the inviting foyer with its high medallion ceiling, double closet and transomed entrance door. From here, you are
